

**Dr.Abla Atef KHALIL**

1, Hassan Mourad , Garden City.  
Cairo, Egypt.  
Tel:(2 012)23416601.  
Email: [ablaatef@yahoo.com](mailto:ablaatef@yahoo.com)

**Title: Head of anesthesia department and  
Consultant of Cardiac Anesthesia National Heart Institute. Egypt**

**Diplomas**

---

**Nov.2017: ESPEN Diploma for clinical Nutrition**

**May99: MD of Anesthesia**  
Cairo University.

**Mar 87: Msc. of Anesthesia**  
Cairo University.

**Dec 81: MB,BCH**  
Cairo University.

**Professional History**

---

Member of the Egyptian society of Anesthesia .

Member of the Egyptian Society of Cardiothoracic Surgery.

Member of the Egyptian Society of Cardiothoracic Anesthesia.

Board member of the Society of Cardiothoracic anesthesia

Mars 2005: Member of the Egyptian Delegation to Yemen.

**Member of the scientific comity for promotion of anesthesiology**

**June 2018 : Consultant emeritus of cardiac anesthesia at National Heart Institute.**

**Nov.2017: Head of Anesthesia Department National Heart Institute.**

**Feb.2014: consultant of cardiac anesthesia at National Heart Institute.**

**2011: Director of the operative department National Heart Institute**

2010-2011: Supervisor of the cardiac surgery ICU National Heart Institute

**2008: Consultant of Cardiac Anesthesia Shark El madina Hospital alexandria**

**Nov.2005: Assoc. Consultant of cardiac Anesthesia at the National Heart institute.**

**Member of the cardiac anesthesia team at Misr International Hospital**

June 2000 : Fellow of cardiac Anesthesia at the National Heart Institute

Nov. 1995: Specialist of cardiac Anesthesia surgery at the National Heart Institute

Feb. 1988: Associate Specialist of cardiac Anesthesia at the National Heart Institute

Apr. 1984: Resident of cardiac Anesthesia at the National Heart Institute

## **Publications & Scientific Activities.**

Oct.1999: The Annual meeting of the American Society of Anesthesia.

Feb. 2000: The 7<sup>th</sup> annual meeting of the Egyptian Society of cardiothoracic surgery.

-Results of Surgery on Ascending Aorta in the National Heart Institute.

Feb. 2000: The 25<sup>th</sup> annual meeting of the Egyptian Society of cardiology.

- Arrested perfused Heart for CABG in patients with depressed Left ventricular function.

Mars 2001: The 8<sup>th</sup> annual meeting of the Egyptian society of cardiothoracic surgery

- The use of Dobutamine and nitroglycerine In systemic and suprasystemic pulmonary pressure in mitral operations.
- Arrested perfused heart in CABG for considerably depressed LV function
- An Aortic segment as an autograft for pulmonary artery prolongation in Cases of TGA + VSD + PS. Results of 12 cases of Metras modification of Rastelli procedure.

Oct. 2001: The Annual meeting of the American Society of Anesthesia.

Nov. 2001: The 13<sup>th</sup> annual meeting of the Mediterranean society of cardiology and And cardiovascular Surgery.

- Advantage of Aortic resection in surgery of the Ascending aorta

Dec. 2003: Egyptian heart Journal

- The use of Dobutamine and nitroglycerine In systemic and suprasystemic . pulmonary pressure in mitral operations
- Continuous antegrade cardioplegia in CABG for considerably depressed LV function.

Mars 2004: The 11<sup>th</sup> annual meeting of the Egyptian society of cardiothoracic surgery

- Ttrans eosophageal Doppler to optimize cardiac output in cardiac surgery
- A prosthesis-Free procedure for reconstructing the Right ventricular Outflow tract in children.

Sept. 2004: The South Valley University. Sohag Cardiac Surgery Department first annual meeting.

-Protocol for antibiotic administration at the national heart institute for cardiac surgery

Feb. 2005: The 12<sup>th</sup>. annual meeting of the Egyptian society of cardiothoracic surgery

- clinical evaluation of the use of fentanyl transdermal patch Vs intercostals nerve block in post thoracotomy pain control

- Clinical evolution of the use of trans oesophageal Doppler to limit inotropic use in cardiac surgery.

Oct . 2008: two point prevalence studies of nosocomial infections in National Heart Institute the medical Journal of teaching hospitals and institutes

Nov.2008:Course in intensive care ventilator EVITA 4 EDITION

Dec. 2008: Role of spildenafil in management of pulmonary hypertension during and after mitral valve replacement Egyptian Heart Journal

May 2010 V A P prevention Advanced Workshop Dubai

May 2010: Poor septal perfusion is a main cause of off-pump conversion to on pump During coronary Artery By-pass surgery Egyptian Heart Journal

Sept. 2011:How far does preoperative CNS deficits affects postoperative neurological outcome in open heart surgery the medical Journal of teaching hospitals and institutes

Oct 2011: Audit study on preoperative skin preparation at national heart institute the medical Journal of teaching hospitals and institutes

Oct.2011 Interoperative Trans oesophageal scpic Ecocardiography (Course in American Society of anesthesiologist)

Jan 2012: Aortic valve repair is it safe ? results of 25 cases over 10 years the medical Journal of teaching hospitals and institutes

Jan 2012: Auditing Hand hygiene practice in two intensive care units at the National Heart Institute the medical Journal of teaching hospitals and institutes

May 2012: streptokinase fibrinolysis of mechanical prosthetic valve thromboses versus redo valve replacement comparative study and one year follow up The new Egyptian journal of medicine

May 2012: local vancomycine for postoperative wound infection in coronary artery by pass surgery the medical Journal of teaching hospitals and institutes

Oct 2012: Clapidogrill with aspirin Vs aspirin in post coronary by pass graft the medical Journal of teaching hospitals and institutes

Nov. 2012: Is CABG in Patients with EF less than 40% has increased incidence of delayed cerebral stroke in early postoperative period. the medical Journal of teaching hospitals and institutes

Aor 2013 Bronchoscopic intubation

Mars 2013: tight control of both systolic and diastolic blood pressure does not significantly decrease echocardiographically detected left ventricular hypertrophy The new Egyptian journal of medicine

## **Fields of Experience.**

---

- Anesthesia for Coronary by pass grafting.  
Open heart.  
OPCAB
- Anesthesia for Valve replacement.
- Anesthesia for Mitral valve repair.
- Anesthesia for Congenital Heart Surgery.
- Postoperative Intensive care.
- Anesthesia for noncardiac operation for cardiac patients
- Anesthesia for TAVI procedure
- Anesthesia Minimal invasive surgery
